

Pesach 5782

Dear members  
of the Eretz Hemdah family,  
Blessing and abundant light!

The last two years have taught us that even a small change in the **smallest creature**, can destabilize the world.

In the last two months we have learned that even the most stable situation can be shaken in a short time, and become **a chaos**.

More than seventy years ago, the Jewish Nation received one of the most important gifts in the history of our nation - **the independent State of Israel**.

Independence has a spiritual value and not just a practical one. Continued independence is not guaranteed without internal unity and mutual guarantee. The "Eretz Hemdah" Institute assures the People of Israel that it will continue to raise **Torah Scholars**, who see the State of Israel as a value of utmost importance. Torah Scholars = Torah leaders who will work with all their souls and might, to unite the public, in all its shades and parts, **and will connect between Heaven and earth, and between 'Knesset Israel' and Hashem**.

We end by thanking the dozens of activists and thousands of donors who participated in the "Vezakeinu Legadel" Campaign and thereby strengthened the Beit Midrash.
